2008 READERS' CHOICE A

BEST DESSERT

ALON'S BAKERY AND MARKET

THE LOWDOWN: The beloved baker is a premium destination for indulgent confections, from whole cakes, mini desserts and single portions (like that slice of cake you know you shouldn't have), to cookies by the pound, the dozen or one by one. Try the apple Normandy bar: sugar dough crust filled with apricot marmalade, house-made custard, fresh apples and streusel topping.
